

Exceptional Energy Stage Reservation Form

Onsite presentations can be broadcasted live on the online event platform. For more information contact the organisers
exhibition@lpgweek.com

The **Exceptional Energy Stage (EE Stage)** is the central part of the exhibition during LPG Week 2022/New Delhi to **share new projects, technologies, products, or services** during a 30-minute presentation. This central and highly **interactive** area will boost **high-quality exchanges** with delegates, exhibitors, and visitors.

LPG Week's hybrid edition allows also for **e-Stage presentations** (pre-recorded) that will be shown on the event online platform and will remain available on replay.
